Selling Points:

- An innovative fusion of familiar genres, the likes of which is found nowhere else.
- The Framework system, which uses innovative dice mechanics to create a cinematic feel that ultimately puts destiny back into the hands of the players.
- A new, unique interpretation of the popular horror genre created by HP Lovecraft and his circle of writers.
- Written for mature audiences and pulls no punches.
- The Core Book is designed to get you playing now, including ready-to-play stories.
- The game has an epic metaplot designed to put players in the key places

for world-changing events, so they can be a part of and influence history.

Target Market:

- Current fans of both the mecha and Lovecraft roleplay market.
- Lapsed Lovecraft fans who are looking for a game in which their characters can survive.
- Cross-over players who are simply looking for a quality product with an entirely new setting.
