## A STORY SOURCEBOOK

**Compatibility:** Requires the *CthulhuTech* Core Book; use of *Vade Mecum* and *Dark Passions* recommended; expands setting, character options, foes, and stories to *CthulhuTech* players.

### Selling Points:

- Provides a detailed exploration of the important events of 2086.
- Provides a look into pop culture in the Strange Aeon.
- Provides an exploration of four smaller year-long plots that can be used with any game, with suggestions on how to weave them into existing stories.
- Provides a detailed look at four major areas of the overarching storyline, including the war against the Disciples of the Rapine Storm in China, the continuing quest of the Esoteric Order of Dagon to find their lost city, the Eldritch Society's investigation into the Chrysalis Corporation's plans in the Pacific Northwest, and the Migou's invasion of North America.
- Includes ready-to-run stories for each major storyline that put Characters front and center for the biggest action in the setting.
- Provides the option to play as one of three powerful new professions within the secret New Earth Government agency known only as Special Services.

### Target Market:

- Current *CthulhuTech* players and Storyguides.
- Players interested in an evolving setting.

### Up-Sells & Cross Sells:
