## Spells & Chrome

A SHADOWRUN ANTHOLOGY

### LIFE ON THE RAZOR'S EDGE!

Welcome to the year 2070. A world of magic and machine. Urban sprawl. Cyberware. The matrix. Man, elf, and dragon. Of lives all but controlled by the monolithic megacorps. And the stories of those who live in the shadows, fighting back.

In this dark, gritty future, heroes are born on the streets and back alleys, living by their wits, their paranoia, and by a few simple rules.

Run hard. Shoot straight.

And never let the dragon deal.
