**Compatibility:** Requires *Shadowrun, Twentieth Anniversary Edition*; offers the character statistics, setting information, and plot points needed for gamemasters to take players on an international journey chasing a stolen artifact.

### Selling Points:

- Concludes the *Dawn of the Artifacts* plotline by putting players on a globetrotting quest in search of a fourth artifact.
- Works with the other *Dawn of the Artifacts* adventures in revealing secrets about the hidden powers of the Sixth World
- Takes players on an international journey to some of the most interesting and unusual settings introduced in *Shadowrun*, including the mobile city of Karavan, and the mega-sprawls of Hong Kong and Neo-Tokyo.
- Concludes with a thrilling high-seas struggle for the riches the players have found.
- Can be played alone or as the fourth part of the *Dawn in the Artifacts* series, which will continue to have ramifications in the ongoing *Shadowrun* plotline.
- Provides complete non-player character statistics, player handouts, and all other information needed to let players dive into the adventure immediately.

### Target Market:

- Current *Shadowrun* gamemasters.
- *Shadowrun* fans interested in keeping up with the game world's always-developing plotline.
- Fans of other role-playing games interested in using plot points from *Dawn of the Artifacts* for their own games.
